

THE 1772 FOUNDATION

ANNOUNCES 2024 CONNECTICUT HISTORIC PRESERVATION MATCHING GRANTS FOR PRIVATE NON-PROFITS

in cooperation with Preservation Connecticut

The 1772 Foundation has announced that funding in the form of 1:1 matching grants of up to \$10,000 will be made available for the following historic preservation projects: exterior painting, finishes and surface restoration, fire detection/lightning protection/security systems, repairs to/restoration of porches, roofs and windows, repairs to foundations and sills, and chimney and masonry repointing.

To demonstrate the sustainability of historic sites, applicants are required to submit a cyclical maintenance plan, condition assessment, restoration plan or stewardship plan that has been prepared or updated within the last five years. If an appropriate plan does not exist, the Foundation will consider providing support for development of a plan on a case-by-case basis.

**All organizations that wish to be considered should send a one-page letter of inquiry to:
Connecticut Circuit Rider, Mike Forino, at mforino@preservationct.org
and use *1772 Foundation* in the subject line.**

The letter should include *organization name, address, web address, contact person, the amount of your request, the purpose of the grant including the name and address of the historic resource for which project funding will be used, the matching funds you have or plan to have, the time frame for construction and ownership status of the site. Attach a current photo which best shows site condition, no more than 1.5MB.*

Letters of inquiry will be accepted on a rolling basis until December 1, 2023.

Invited applications must be received by February 15, 2024.

Please note, not all letters of inquiry will result in invitations to submit full applications.

To be eligible to apply, organizations must have a 501(c)(3) IRS designation.
Organizations also must have closed any previously awarded matching grant to be eligible to apply.
Funding will not be provided for schools or churches.

The Foundation will consider the following:

- Matching grants for exterior painting, finishes and surface restoration
- Matching grants to install or upgrade fire detection, lightning protection and security systems
- Matching grants for repairs to/restoration of porches, roofs and windows
- Matching grants for structural foundation and sill repair/replacement
- Matching grants for chimney and masonry repointing
